

BRETT BAXTER

ASSOCIATE DIRECTOR - SPECIALISED ASSETS
SYDNEY

Brett is an Associate Director in the Specialised Assets team, providing valuations and advice for specialised assets including service stations, childcare centres, hotels, boarding houses and other accommodation assets within NSW.

Brett brings a diverse range of skill and experience to his role within M3's Specialised Assets team. Having previously worked as a director specialising in alternative projects and government advisory and also as a commercial valuer, he is well positioned to provide strategic and bespoke advice to both public and private clients.

Working with many prominent private and public institutions, Brett has been involved in Local, State and Federal Government valuations and advisory work ranging from financial reporting of national parks for the Office of Environment and Heritage to fire stations for Fire and Rescue NSW.

Brett has also been admitted to all major institutional bank panels as a commercial valuer, with experience in completing mortgage valuations in all major asset classes across Sydney Metro and its periphery coastal cities.

Brett commenced his employment with M3 Property in July 2023.
