

# CRISTIAN PAGANO

DIRECTOR - RESIDENTIAL DEVELOPMENT  
SYDNEY

Cristian is a Director in the Residential Development team in Sydney. He is responsible for valuations and consultancy tasks on residential and mixed-use development projects including medium to high-density apartment developments together with residential land subdivision developments in the Sydney metropolitan, Western Sydney and Regional NSW areas.

His expertise is often sought for feasibility analysis, due diligence, and valuations as part of project acquisitions and disposal, for mortgage security purposes and corporate reporting purposes.

Cristian commenced his career in 2016 and became an Associate of the Australian Property Institute in 2019.

Cristian commenced his employment with M3 Property in July 2017.
