

DAISY CHEN

DIRECTOR, RESIDENTIAL DEVELOPMENT
SYDNEY

Daisy is a Director in the Residential Development team specialising in projects across the Greater Sydney Region focusing on Master Planned land subdivisions, residential and mixed-use developments. She provides feasibility studies, valuations for asset reporting, unit entitlements, acquisition and first mortgage security purposes for developers, government departments and financial institutions.

Daisy brings to M3 Property over 7 years' experience and knowledge in residential projects across Sydney. She has chosen to specialise in valuations after the completion of her Master in Property Development.

Daisy commenced employment with M3 Property in May 2018.
