craig.ray@m3property.com.au

Craig is responsible for valuation and consulting tasks in relation to industrial assets within the Sydney metropolitan area. Craig has conducted valuations of industrial, together with general commercial including retail, office and mixed-use assets for financial reporting, acquisition and disposal, first mortgage, family law, taxation and rental assessment purposes.

Over the course of his career, Craig has gained extensive experience in the property sector and prior to joining **m3**property, held roles at Cushman & Wakefield, JLL and Herron Todd White. Craig commenced his valuation career in 2010, and subsequently became qualified as a valuer and was admitted as an Associate of the Australian Property Institute circa 2011. Prior to a career in valuation, Craig worked in financial planning in London and Sydney.

Recent Valuation and consulting experience includes:

- 15 Oatley Close, Blacktown
- 339-349 Horsley Road, Milperra
- 2 Steel Street, Bankstown Aerodrome
- 16-22 Raglan Road, Auburn
- 282-284 Victoria Avenue, Chatswood
- 430 Victoria Avenue, Chatswood
